Brussels European RALLY at the EUROPEAN PARLIAMENT

**TO REQUEST A MORATORIUM FOR
ONSHORE + OFFSHORE WIND TURBINES +
SOLAR PANELS ON AGRICULTURAL LAND**

OUR DEMANDS

1. Moratorium of offshore and onshore wind turbines, and large ground based solar panels
2. Abolition of massive subsidies and price guarantees offered to private developers
3. Implementation of an independent assessment of energy scenarios, integrating social, health and environmental impacts;
4. Strengthening the democratic framework, with effective consultation of citizens and compliance with constitutional charters.
5. Remove the misleading idea of "overriding public interest" for wind and solar energies

**LET'S ALL SPEAK OUT AGAINST THESE
USELESS, EXPENSIVE, AND DANGEROUS
ENERGIES**
